Luck of the Irish

There's \$300 in the Mudd Pitt. The next player to pass the Pitt snags the cash.

Merry Christmas!

Every player gets a \$200 bonus for every job they hold.

Arson Impulse

Roll a die.
1-5: Nothing happens.
6: Lose your highest paying job.

Road Trip

Jump to the outside Pay Day square. You don't get paid, but you do owe your rent.

One Lost Day

You hope whatever it was worth it. Let another player put you anywhere on the board.

Breakfast Rush

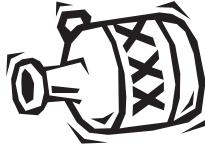

Are pancakes supposed to stare at you? Spend \$100 and lose your next turn wondering.

Food Opportunity

Forgotten milk or gourmet cheese? Only you know for sure. Collect \$50 from each player and giggle while they eat.

Hittin' the Ol' Fizz

Roll again, but move backwards.

One Way Radio

Once this card is drawn, the top card of the Plot Twist pile is kept face up.

Hacker's Delight

Those phone calls to NASA paid off. Every player gets the Pirate Software upgrade until their next Pay Day.

Worthless Crap

Pay \$150 to Fagin's for a tempting piece of nostalgic junk.

Real Stupid Idea

Whatever it was, you're sorry you had it. Pay \$200 and act sullen.

Extra! Extra!

Once this card is drawn, players move again when they roll doubles.

Rocky Horror Live

An old favorite comes to town. Jump to the Pavlov Theater and pay them \$50 for a crappy seat.

Hypochondria

Spend \$70 on yummy placebos and watch the colors bleed.

MaxCorp Takeover

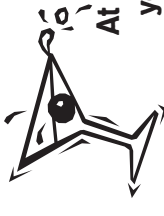

One of your jobs is bought out (choose one). Lose it and collect two months' pay.

Weekend Job

You may skip your next turn (decide now) to collect \$250.

Pier 39 Collapses

At least, that's what you tell mom. Pay Mac's \$150 to scrape the barnacles off your Dart.

\$1000 Loan

Withdraw \$1000 from the Bank, and keep this card. For as long as you have this card, you can't win. You can get rid of this card by paying \$1200.

You Are My Friend

Keep this card. You may spend it to make any player lose one point.
