**PERSONAL  
AGENDA**

A soldier in a dark, futuristic environment, possibly a space station or industrial facility. The soldier is wearing a helmet and carrying a large, complex weapon. In the upper left, a large, dark, alien creature with a long, pointed snout is visible. The air is filled with falling debris and sparks, suggesting a recent explosion or battle. The scene is lit with a cool, blueish light, with some orange sparks at the bottom right.
