

PROTECTIVE WINDS

Air Arcana (Novice)

SPELL TYPE	MP COST
Defense	4
CASTING TIME	TARGET NUMBER
Major Action	10
TEST	
None	

You summon up a whipping wind that circles about you and protects you from harm. You gain a +2 to your Defense vs. ranged attacks. Anyone adjacent to you (friend or foe) suffers a -1 penalty when making melee attacks. *Protective Winds* last until the end of the encounter.

FNIASTY-AGE

VOICES ON THE WIND

Air Arcana (Novice)

SPELL TYPE	MP COST
Utility	4+
CASTING TIME	TARGET NUMBER
1 Minute	11
TEST	
None	

You can focus in on any conversation happening within 100 yards of you that you can see. The wind carries the conversation to your ears and you can hear it as clearly as if you were sitting next to the participants. You can switch to a different conversation as a major action. *Voices on the Wind* lasts for 10 minutes, and you can extend it for 10 minutes for each 2 MP you spend.

FNIASTY-AGE

WIND BLAST

Air Arcana (Journeyman)

SPELL TYPE	MP COST
Attack	8
CASTING TIME	TARGET NUMBER
Major Action	14
TEST	
Strength (Might) vs. Spellpower	

You send a powerful gust of wind from your outstretched hands or arcane device. The *Wind Blast* is 6 yards long and 4 yards wide. Anyone caught inside it must make a Strength (Might) test vs. your Spellpower or be knocked prone. The wind will also send light objects flying, blow out candles, etc.

FNIASTY-AGE

WINDS OF FLIGHT

Air Arcana (Master)

SPELL TYPE	MP COST
Utility	10+
CASTING TIME	TARGET NUMBER
Major Action	15
TEST	
None	

You summon winds that bear you aloft. You gain a flying Speed of 8 + Willpower. You must use the rules for flying found in Chapter 2: Basic Rules of the Core Rulebook, though you retain your land speed while on the ground. *Winds of Flight* lasts for 1 hour and you can extend it for up to 5 hours for a cost of 2 MP per hour.

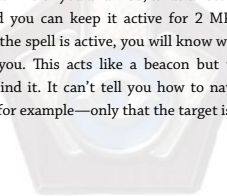

FNIASTY-AGE

BLOODHOUND

Divination Arcana (Novice)

SPELL TYPE	MP COST
Utility	4+
CASTING TIME	TARGET NUMBER
1 Minute	11
TEST	
None	

You can divine the presence of an object you have put a *Blood Mark* on or a living creature whose blood you have a sample of. You can get a sample of blood from any weapon that has damaged the target in combat. When you first cast the spell, you will know if the target is within a mile of you and if so, what direction. This lasts for 10 minutes and you can keep it active for 2 MP per further 10 minutes. While the spell is active, you will know what direction the target is from you. This acts like a beacon but the spell has no intelligence behind it. It can't tell you how to navigate a maze to find the target, for example—only that the target is "that way."

FNIASTY-AGE

BLOOD MARK

Divination Arcana (Novice)

SPELL TYPE	MP COST
Utility	3
CASTING TIME	TARGET NUMBER
1 Minute	9
TEST	
None	

You inscribe an object with an arcane mark unique to you that remains until you dismiss it (a free action). It requires a drop of your blood, although the mark itself is invisible to the naked eye. Once an object has a *Blood Mark* on it, you can track it with the *Bloodhound* spell. You can maintain a number of blood marks equal to your Willpower at any one time.

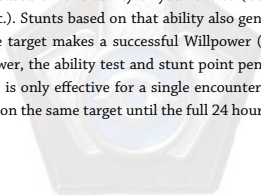

FNIASTY-AGE

ILL OMENS

Divination Arcana (Journeyman)

SPELL TYPE	MP COST
Attack	8
CASTING TIME	TARGET NUMBER
1 Minute	14
TEST	
Willpower (Faith) vs. Spellpower	

Your knowledge of the future makes one target vulnerable. When you meet the target in any type of encounter during the following 24 hours, you can choose to use Ill Omens as a free action. For the remainder of the encounter, the target suffers a -2 penalty on ability tests based on one ability of your choice (Communication, Dexterity, etc.). Stunts based on that ability also generate -2 stunt points. If the target makes a successful Willpower (Faith) test vs. your Spellpower, the ability test and stunt point penalties are only -1. Ill omens is only effective for a single encounter and it cannot be cast again on the same target until the full 24 hours have passed.

FNIASTY-AGE

EARTHQUAKE

Earth Arcana (Master)

SPELL TYPE	MP COST
Attack	11+
CASTING TIME	TARGET NUMBER
Major Action	17
TEST	
Dexterity (Acrobatics) vs. Spellpower	

The ground bucks and rolls in an area with a 6-yard radius anywhere you choose within 30 yards. Anyone caught in the area suffers a -2 penalty to Defense and a -5 penalty to Speed for one round. They must also succeed on a Dexterity (Acrobatics) test vs. your Spellpower or fall prone. This spell normally lasts for one round but for 5 MP, paid at the start of your subsequent turns as a free action, you may extend the duration by an additional round.

FIANSY-AGE

HANDS OF FATE

Fate Arcana (Novice)

SPELL TYPE	MP COST
Enhancement	4
CASTING TIME	TARGET NUMBER
Major Action	12
TEST	
None	

You can manipulate fate to help your allies. When you cast this spell, you get a total bonus equal to your Stunt Die +1. For the remainder of the encounter, you can give part or all of this bonus to an ally within 20 yards of you if it would make one of their failed ability tests into a success. If an ally failed a test by 2, for example, you could give them 2 of your total bonus to make that into a success. The GM must tell you the cost and you can then decide if you want to apply any of your bonus to the test. *Hands of Fate* lasts until you've spent your total bonus, or the encounter ends. If your total bonus from casting the spell was 5, for example, you might give 3 of it to one ally and later give 2 to another. You can only have one *Hands of Fate* spell active at one time.

PUPPETS OF FATE

Fate Arcana (Novice)

SPELL TYPE	MP COST
Attack	6
CASTING TIME	TARGET NUMBER
Major Action	13
TEST	
Willpower (Self-Discipline) vs. Spellpower	

You manipulate fate to discomfort your enemies. For the remainder of the encounter, you may force enemies within 12 yards of you to re-roll successful ability tests and take the worse result. You can attempt this a total number of times equal to the Stunt Die result of your casting roll. Enemies can resist *Puppets of Fate* with successful Willpower (Self-Discipline) vs. Spellpower tests (test for each attempt). You can only have one *Puppets of Fate* spell active at one time.

Special	

You create a glowing arcane circle, up to 4 yards in diameter, on the ground where you cast the spell. It is etched with symbols of power, and lasts for 1 hour. During that time, you and any allies inside the *Arcane Circle* have protection against spells cast from outside its confines. The casting roll of any such spells trying to affect the occupants must exceed the *Arcane Circle's* Spellpower to take effect. This does not cancel the spell entirely, just prevents it from affecting those inside the circle. Those outside the circle would be affected normally if in the spell's area of effect. You can be inside or outside of the circle when it is created and can cross it at will. An *Arcane Circle* is no barrier to your own spells.

You create a long whip of water that appears in your empty hand. You can wield the water whip as a weapon, using your Intelligence (Water Arcana) to make attack rolls. You can attack targets up to 3 yards away and the *Water Whip* inflicts 1d6 + Willpower damage. You can also perform the Disarm stunt for 1 SP instead of 2 when wielding it, and you use Willpower instead of Strength to determine how far away the weapon lands. The *Water Whip* lasts until the end of the encounter, although you can end it earlier as a free action if you so choose.

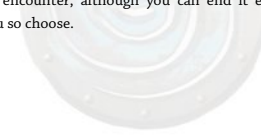

FIANSY-AGE

WATER WALL

Water Arcana (Journeyman)

SPELL TYPE	MP COST

Dexterity (Acrobatics) vs. Spellpower	

Tough, gnarled roots spring up from the ground to grab and entangle targets in a 4 yard by 4 yard area within 20 yards of you that you designate. Those affected must make a Dexterity (Acrobatics) test against your Spellpower. Failure means the target is trapped and rooted to that spot for the duration of the encounter (though they can fire ranged weapons, cast spells, and take other actions that do not involve moving). Trapped targets can make a Strength (Might) check against your Spellpower as a major action to tear free of the ensnaring roots. Anyone moving through the area affected by the spell has a -5 penalty to speed.
