

A new rule.

Just standard base sizes for each unit.

Easier to turn.

Clear pass thru between ships.

Certain contact for boarding action.

Nice squadron formation.

If you hit the Base you hit the ship.

Your shot measurement start adjacent to the Base.

RACE	Ship Name	Class	Base size in inch	Front	Side
BRETONNIAN	Galleon	Man O War	1½ x 3	1½	3
