

## United States Police & Fire Packages

Trooper		Forensics	10
Geography / <i>local area</i>	5	Diplomacy	10
Law	10		
Criminal	5	Total Value	275
Police Science	30	Package Cost	250
Medicine	10	This package represents the typical state trooper (or highway patrol officer) of state law enforcement agencies. Their basic job is enforcing vehicular laws on the state highways, though in many states they also supplement local law enforcement. These officers typically cover an area much larger than city police and are spread much thinner (backup can sometimes be a long way away). In many states these agencies supplement the standard sidearm and shotgun with a rifle or carbine.

Motorcycle Officer		In most agencies motorcycle officers are veteran officers who receive additional training. Motorcycle units are typically used in metropolitan areas. Requires <b>Trooper</b> or <b>Officer</b> package.	
Cycle	40		
Motorcycle	20		
Total Value	75		
Package Cost	70		

Maritime Patrol		Package Cost	45
Boating	30	Since so many cities are built along the coast or waterways, many departments maintain boat patrols. Requires <b>Trooper</b> or <b>Officer</b> package.	
Powerboat	15		
Total Value	50		

Gang Suppression Officer		Many departments have created gang suppression units (names get very creative) to deal with gang violence and crimes. These are usually uniformed units that saturate gang areas and have an understanding of gang makeup and activities. Requires <b>Trooper</b> or <b>Officer</b> package.
Anthropology	20	
Gangs	10	
Total Value	30	
Package Cost	30	

SWAT		Almost all departments (a much lower percentage in state agencies) maintain a unit (part time in all but the largest department) of personnel who receive additional training to deal with special situations (serving of high risk warrants being the most common mission). Almost every department has a different name for their unit (Special Weapons and Tactics, Emergency Service Unit, Special Response Unit, Critical Response Team, etc), but the training, equipment, and missions are usually quite similar. Requires <b>Officer</b> or <b>Trooper</b> package.
