December 22nd
from 83rd In-
fantry Division

The 75th Infantry was a new division and had been in France for only three days when the Germans attacked. The division arrived in the "bulge" on December 23 and went into line beside the 82nd Airborne, where it helped fight off attacks by the 2nd and 12th SS Panzer Divisions. It also participated in the counteroffensive starting in early January.
