

Packet Fragments

Branson Hagerty (Blackjack's Shadowrun Page <http://shadowrun.html.com/users/blackjack/>) Posted April 29, 1996

I sometimes use little snippets of information like these to create small runs on the fly. They are usually discovered accidentally by a group's decker stored in some low security datastore. Enjoy.

Packet Fragment 23871242332881265

Origin: Los Angeles

Destination: Seattle

Recovery Log: Broken from original data 12-21-54/01:32:12:44:65
after relay node breakdown

Recovered Data:

..will do anything to stop this. Meg and Dullus trapped at 9th and
(data missing) find Hammer and initiate recovery 113 now or we're..

Packet Fragment 23871242332881381

Origin: Atlanta

Destination: Seattle

Recovery Log: Broken from original data on 12-24-54/03:45:12:75:94
by security IC after improper packet identification

Recovered Data:

..and snagged the local of Ares records. Shipment data node codes
2412312,645,23843 should get you in. Big one on the first, don't
know where. Meet at..

Packet Fragment 23871242332881410

Origin: Quebec City

Destination: Seattle

Recovery Log: Broken from original data on 12-25-54/02:31:44:37:76
by security IC after improper packet identification

..and then the cops seized every last one of the cannons although
I managed to make off with half the rifles. They're keeping them
in storage at station 42. Looks like security is pretty light.
How about we grab some power and go get..

Packet Fragment 23871242332881537

Origin: D.C.

Destination: Seattle

Recovery Log: Broken from original data on 12-25-54/22:53:34:84:23
by security IC after improper packet identification

..and the Fed Pols are at the gate. I know we're gonna get nailed.
Send support A.S.A.P. Cambridge and Del are with me, Del's shot up
pretty bad. Desperately need..

Packet Fragment 23871242332881589

Origin: Seattle

Destination: Seattle

Recovery Log: Broken from original data on 12-26-54/00:04:23:16:63
due to unexplained packet fragmentation

..may have found another Underground entrance. Looks like it hooks
up with a vault of some kind, don't know what's in it. Underneath
the Needle if you want to..
