Tabby is a changeling human female, 5'6" (1.7m) who weighs in at 135 lbs (62 kg). Athletic and furry are two of the first words to come to mind when describing her. She has tawny two toned fur and cat slit eyes.

With SURGE came a need to re-invent herself. On the surface, she's playful and to the point. Underneath, is a woman who had her sense of self-identity stripped away from her by a random surge of ambient mana.

Specializing in Corporate politics, Tabby tries to avoid dealing directly with the syndicates whenever possible. She is based primarily in the CAS sector and does occasional work in the Hub or outlying sectors of Denver when a favor is called in from her associates.
