Bioware Selection

Character:

This template is for working out bioware for starting characters. For working out new implants for characters in play, use the Bioware Installation template from UCAS Online.

Essence Index [   ] (Essence + 3)

Item	Base Bio Index	Base Cost (¥)	Grade	Final Bio Index	Final Cost (¥)

Remember that characters cannot start play with any equipment that has a Rating of more than 6 or an Availability of more than 8. Also note that neural bioware already counts as Cultured and its grade cannot be improved further.
