FOREWORD

Killer toys are much more than dolls or teddy bears armed with a razor sharp kitchen knife. More than likely they are objects possessed by hate filled entities bent on revenge. Killing and acts of vengeance in themselves are not enough. The possessed entity must feed and grow in power, and that nourishment comes from the anguish, fear, pain and terror it causes others. The longer a killer toy can remain innocuous to its owner while causing mayhem and terror to those around them, the stronger it becomes.

The killer toy derives pleasure not only from inflicting physical pain, but the mental anguish it causes. It loves nothing more than to isolate its victim from their family and friends. By the time the victim becomes aware of the toy's true nature they often have no one to turn to for help. With the modern age, the killer toy has more ways than ever to cause pain in anguish.

Not unlike the big eyed puppy in the dog pound, the toy worms its way into your affections. Without you realising, you discover too late you have a narcissistic psychotic killer toy that has been watching your every move and knows you better than you know yourself.

It has seen your passwords, remembered your past indiscretions and knows all your dirty little secrets. Not everything in the list is specific to killer toys and could be applied to any crazed lunatic or serial killer. The following list explores how a killer might isolate and manipulate an individual in the modern age before revealing its true nature.

Choose or Roll D100

- 1. When unobserved and you have set your phone down, the killer toy sends dirty texts to an inappropriate person such as an ex-partner, your current partners siblings, in-laws or even work colleagues.**
- 2. When out of the house and you have set your phone down, the killer toy lures your boyfriend, girlfriend or ex-partner over to the house.**
- 3. Using your computer while you are at work, the killer toy creates an account for you or your partner on an adult dating site, leaving evidence for you to find.**
- 4. When unobserved and you have set your phone down, the killer toy makes prank calls to the emergency services ensuring they won't turn up when you really need them to.**
- 5. When unobserved and you have set your phone down, the killer toy takes inappropriate pictures and posts them online.**
- 6. When unobserved and you have set your phone down, the killer toy takes inappropriate pictures and uses them to make it look like you are trying to bribe someone.**
- 7. When unobserved and you have set your phone down, the killer toy kills someone or something and takes pictures, leaving them on your phone for you to find.**
- 8. When unobserved and you have set your phone down, the killer toy kills someone or something and takes pictures, grouping messaging them to your family, friends or workmates.**

Choose or Roll D100

- 9. When unobserved and you have set your phone down, the killer toy changes your alarm time, or reminder so you are late for work or miss an important date or meeting.**
- 10. When unobserved and you have set your phone down, the killer toy puts a sinister ring-tone on your phone.**
- 11. When unobserved and you have set your phone down the killer toy kills one of your friends and uploads the picture of their corpse into their contact photo.**
- 12. When unobserved, and after the corpse of your dead friend has been found, the killer toy phones you on the dead friend's phone.**
- 13. When unobserved, and after the corpse of your dead friend has been found, the killer toy texts your friends from their phone.**
- 14. When unobserved, and after the corpse of your dead friend has been found, the killer toy sends you and your friends text messages of their dying screams.**
- 15. When unobserved and you have set your phone down, the killer toy changes the Ring-tone of your phone to the pleading, dying screams of your friend.**
- 16. When unobserved and you have set your phone down, the killer toy changes your screen saver to a picture of your dead pet (you didn't realise it was dead yet, did you?).**
- 17. When unobserved and you have set your phone down, the killer toy switches your phone off or hides it.**
- 18. When unobserved and you have set your phone down, the killer toy smashed the screen on your phone.**
- 19. The killer toy carries out series of grisly murders. After each murder your pedometer on your phone congratulates you as it registers an unlikely number of steps. When you check your GPS route, you phone appears to have been to each of the murder sites.**
- 20. You receive a text from your partner's phone with something inappropriate or untrue in the message. 'I'm pregnant' or 'That's it, we are finished'. Your partner denies sending the text.**
- 21. You discover the dying screams of a murder victim on your phone. The voice sounds familiar, but you just can't place it.**

Choose or Roll D100

22. The toy takes a selfie and leaves it where it can be found the next time you flick through your gallery.
23. You discover a video on your phone of a neighbour taking a shower or getting undressed.
24. When not being observed the killer toy places your mobile phone in the microwave and switches it on.
25. Your phone rings in the middle of the night. It's a partner or a friend's phone, you can hear their kids screaming, and then the call is cut. When you try to phone back you can hear a phone ringing upstairs, in the next room or behind you.
26. An unexpected parcel arrives at your door. While you were out the killer toy ordered a new set of razor sharp kitchen knives online from your computer.
27. An unexpected parcel arrives at your door. While you were out the killer toy ordered something offensive and addressed it to your partner or a family member.
28. An unexpected parcel arrives at your door. While you were out the killer toy ordered something that our husband, wife or parent has proclaimed 'Over my dead body'.

29. The killer toy starts an online blog detailing what it has been up to, allowing you to discover it just as realisation dawns what you're dealing with and that you are its next victim.
30. When unobserved, and just before you need to be somewhere important, the killer toy lets one of your tires down.
31. The killer toy is in the car, sitting in passenger seat or being nursed by an unsuspecting child. Unexpectedly the toy falls into the foot well of the car, pushing down hard on the accelerator.

Choose or Roll D100

- 32. The killer toy is in the car, sitting in passenger seat or being nursed by an unsuspecting child. Unexpectedly the toy falls into the foot well of the car causing it to break sharply.**
- 33. The killer toy is in the car, sitting in passenger seat or being nursed by an unsuspecting child. Unexpectedly the toy falls into the foot well of the car just as it loosens the child's seatbelt, causing it to break sharply.**
- 34. You receive an unexpected speeding fine in the post. The picture shows it's your car alright, but you can't really see who is driving. The image is fuzzy, but it kind of looks like your toy is behind the wheel.**
- 35. When unobserved the killer toy puts the car keys in the front seat and locks the door.**
- 36. While out for a drive you are alerted to a noise coming from the boot/trunk of your car. Someone you know has been bound and gagged and placed there by the killer toy.**
- 37. While out for a drive you become aware of an odour emanating from the boot/trunk of your car. The body of someone you know has been placed there by the killer toy.**
- 37. Alerted to a ruckus in the next room you find the killer toy sitting innocently in the corner where it should be. The household pet, however, is going nuts. At the feet of the toy is an open bottle of pills from the pharmacy cabinet.**
- 38. During the night you are alerted to a disturbance. As you investigate you see a small set of bloody footprints crossing your kitchen floor, the door lying ajar. Outside, in the garden, the family pet swings from the washing line.**
- 39. When unobserved the killer toy flicks the circuit breaker, plunging the house into darkness.**
- 40. When unobserved the killer toy flicks the circuit breaker, plunging the house into darkness. When it is switched back on the kettle begins to boil, the toast in the toaster pops, and something foul smelling is cooking in the oven.**
- 41. When unobserved the killer toy flicks the circuit breaker, plunging the house into darkness. When it is switched back on you can hear the cries of the family pet. The killer toy has put it in the microwave.**
- 42. Everything must die. Not satisfied with friends, family and pets, the killer toy waters the plants with boiling water. They shrivel and die over the next few days.**

Choose or Roll D100

43. When unobserved the killer toy puts an alarm on the TV so that it comes on in the early hours of the morning at full volume, waking not only you but the neighbours.

44. When unobserved the killer toy puts an alarm on the TV so that it comes on in the early hours of the morning at full volume. This is a distraction as the killer toy is up to something else.

45. When unobserved the killer toy puts an alarm on the TV so that it comes on in the early hours of the morning at full volume. The channel it has selected is a pay per view pornographic channel

46. The killer toy wants to ruin your life before he kills you. The killer toy arranges for a courier to pick up a parcel and deliver it to your boss. Inside is his dead cat along with a note telling him where you think he should stick his job.

47. The killer toy wants to ruin your life before he kills you. Knowing your partner will be home first, the killer toy leaves out two wineglasses, one with lipstick around the edges.

Choose or Roll D100

- 48. The killer toy wants to ruin your life before he kills you. Knowing your partner is about to do the cleaning, the killer toy leaves the card of an escort service where I will be found.**
- 49. The killer toy wants to ruin your life before he kills you. Knowing your partner is about to do the laundry, the killer toy leaves the corner of a condom wrapper in one of your pockets where it will be found.**
- 50. The killer toy wants to ruin your life before he kills you. Knowing your partner is about to do the laundry, the killer toy drugs the family pet before placing it in the washing machine, hidden by dirty clothes.**
- 51. The killer toy wants to ruin your life before he kills you. You become aware of your child making unusual noises. To your horror the child appears to be playing with a razor sharp kitchen knife and is smeared with blood.**
- 52. The killer toy is a vandal. If you wear glasses, the killer leaves them where they will be smashed. Perhaps they will simply be left lying on the floor, or be placed in a door jam or balancing precariously on the edge of something.**
- 53. The killer toy is a vandal. If you wear glasses, you find the words 'Die' and 'Scum' scraped into the lenses.**
- 54. The killer toy is a vandal. He tears out pages from a book you have been reading or some important report you have prepared for work. If there is a child or pet, the missing pages can be found with crayon scrawl or chewed.**
- 55. Someone in the neighbourhood has gone missing and you discover a ransom letter has been posted to your address. It's an old fashioned ransom demand, each letter cut from a newspaper or magazine and glued to a page. Later you discover your newspapers or magazines have been cut up, many of the letters missing.**
- 56. The killer toy is a vandal. He has damaged something in the house and you have had to call a tradesman to fix it. It's a cash only job, and as you pull the money from your wallet you discover the notes have been cut into several pieces.**
- 57. You see the curtains move out of the side of your eye. When you look behind them the killer toy is standing there.**
- 58. While talking on the land-line the killer toy pulls out the cable mid call.**
- 59. The killer toy kills a small animal and puts it in the air vent to rot. Soon the house fills with a vile stench and big fat black flies are omnipresent.**
- 60. The killer toy carefully nicks the blade on a brand new safety razor. This causes shallow but bloody cut on anyone that uses it.**

Choose or Roll D100

61. In the early hours, your phone begins to ring, then stop after a few seconds.

Picking up the phone eventually to catch the person on the other end will reveal a childlike voice, laughing evilly before hanging up.

62. The killer toy brings a snake or other poisonous creature into the house.

63. The killer toy switches on various appliances like the TV and radio using the remote control that has been missing for several days now.

63. The killer toy is a possessive jealous type. After learning you are going out for the night it cuts 'Slut' or 'Man Whore' into your favourite suit or dress.

64. Everyone is paranoid. That not helped when the killer toy leaves the hair straighteners on or unlocked the door after you have tried it twice.

65. The killer toy is a possessive jealous type. When it learns of a family trip it defaces your passport, forcing either a road trip or the family to become separated.

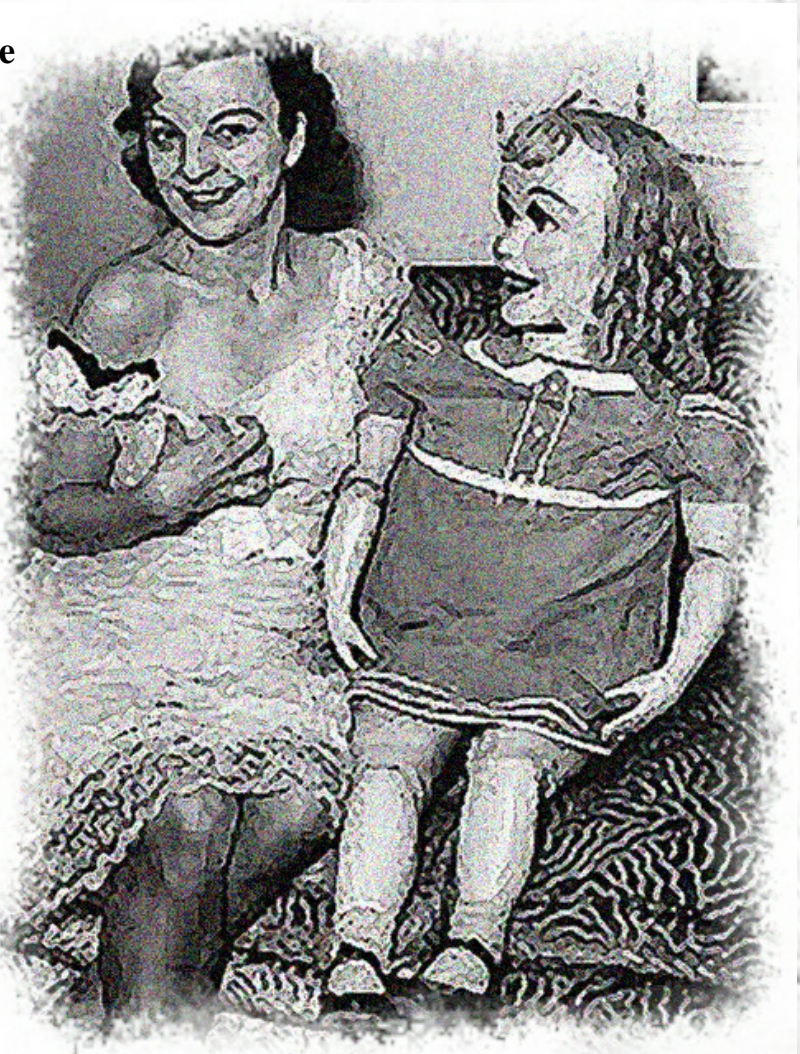

66. The killer toy fills the toothpaste with some other medical cream

67. The killer toy switches pills in the pharmacy cabinet, causing a selection error and a potentially fatal situation.

68. The killer toy puts chilli or some similar substance in a stick of lip salve or other ointment.

69. The killer toy breaks off the key to the lock of one of the house doors preventing anyone from using it to enter from the outside.

70. The killer toy resets the key code of a door or resets the intruder alarm code.

Choose or Roll D100

- 71. The killer toy selects one ornament, and each day moves it to a different position.**
- 72. The killer toy likes to make noises. If there is a musical instrument nearby it will strum guitar strings, play random notes on a piano, or blow into any wind instrument, before returning to its original position.**
- 73. The killer toy takes the batteries out of the fire alarm then starts a small fire.**
- 74. The killer toy puts the finger of one of its victims in your favourite jar of jam or pickles.**
- 75. The killer toy minces up a dead animal and places it in the cistern. When the toilet is flushed it fills with bits of blood and fur.**
- 76. The killer toy places broken glass in the bottom of the child's paddling pool.**
- 77. While you leave your bottle of wine to breathe the killer toy adds a little vinegar to make it appear sour.**
- 78. While you are out the killer toy puts pinholes in the light bulbs causing them to burn out when they are switched on.**
- 79. The killer toy is a possessive jealous type. When it learns your boyfriend or girlfriend is calling over it vandalises their car with spray paint while you are otherwise engaged.**
- 80. Even killer toys have a sense of humour. While you are out the killer toy fills the washing machine with washing up liquid.**
- 81. You hear running water coming from the bathroom. The killer toy has run a hot bubble bath for you.**
- 82. While you are in the shower the killer toy writes a creepy or filthy message on the steamed up mirror.**
- 83. While you are in the shower the killer toy turns on the hot or cold water in another room causing the water temperature to fluctuate from one extreme to the other.**
- 84. The killer clown blocks the toilet with something dead and furry.**
- 85. During a thunder storm the killer toy stands outside on the window ledge looking in, rain running down its face.**

Choose or Roll D100

86. When the lights go out the killer clown toy the door to the garage or basement removing one of the steps.
87. It's not just your imagination. The killer toy is sitting in the corner with a maniacal grin on its face.
88. The killer toy is a possessive jealous type. You wake up in the morning to discover all the pictures of your partner have been slashed or torn.
89. You are sure you can hear something under your bed. On investigation you discover the killer toy lying still on its back. Just as you think you imagined it all the toy slowly turns it head to face your, a maniacal grin spreading across its face.
90. The killer toy utters childlike giggles that can be heard throughout the house.
91. The killer toy puts chilli powder or some similar substance in your contact lenses or those of your partners.
92. The killer toy is a peeping tom. A scream from your partner has you rushing upstairs. You find the toy lying motionless with your partner hastily wrapping a towel around themselves.

Choose or Roll D100

- 93. The killer toy cuts the hair of the child, leaving it to play with the scissors.**
- 94. The killer toy cut the hair from the family pet, leaving the child playing with the scissors.**
- 95. The killer toy cuts your hair while you sleep.**
- 96. The killer toy cuts your partner's hair while they sleep.**
- 97. You awake to find the living room in a right old state. Beer tins are strewn across the floor, the plant vase has been used as an ashtray and a line of coke adorns the coffee table.**
- 98. You return home to find a cigarette or cigar burning in an ashtray. No one appears to be home.**
- 99. The killer toy sits on the garden swing, which rocks back and forth. You think it's just the wind until the toy turns its head toward you and grins, a glint of sunlight reveals a kitchen knife in its hands.**
- 100. Job done - the killer clown lists itself on an online auction sight with the tag 'Free To A Good Home – Collection Only'. It sits and waits patiently on the door step to be picked up as your butchered corpse rots indoors.**

About the Author

Like many gamers, Allen's first introduction to Role Playing games was *Dungeons & Dragons*. This in no way helped calm his already overactive imagination, but did surprisingly give it an outlet for the many crazy adventure stories he would frequently invent.

Already an avid fan of Enid Blyton's "Famous Five" novels and having just read *Lord of the Rings*, Allen discovered *Dungeons & Dragons* and thus his RPG addiction began.

Eventually *Dungeons & Dragons* ran its course, but gaming shifted to FASA Corporation's *Shadowrun* cyberpunk RPG, and eventually its prequel setting, *Earthdawn*. Now approaching his mid-forties Allen still runs a regular *Earthdawn* game.

In that time Allen has published two short stories and had his work published in number of RPGs. Some of those works include:

Tales From The Frontier:

A Game of Death -

Official companion fiction to the epic
Elite: Dangerous video game

Arcane Synthesis: Spectre of war -
Fiction set in the Cosmoverse campaign setting

Like Moths to a Flame:

An adventure framework for *Earthdawn*

Ugly Things:

A monster compendium for End
Transmission Games' *Splinter* RPG

Codex Infernus:

The Savage Guide to Hell -
A *Savage Worlds* compatible setting
