A Note on Magazines: While additional issues of many listed magazines (i.e., Travellers' Digest, JTAS (as Challenge), etc.) were produced, they are not included here because those issues contained material related to games other than Classic Traveller, even though they did contain some material usable in the Classic Traveller system. This is also the reason certain issues of Space Gamer, Dragon Magazine, and others are not listed.

## CREDITS

List Originator and Keeper: Joe Walsh ([ransom@iconnect.net](mailto:ransom@iconnect.net))

Major Contributors: Joe Walsh, Scott Davis ([thorinn@aol.com](mailto:thorinn@aol.com))

Special Thanks To: All the folks on the xboat mailing list that took the time to contribute corrections and additions
