GATES OF OBLIVION

by Alec Austin

For centuries, the marching monoliths of the dread city of Lacc have consumed the light of countless worlds, transforming them into pale reflections of its own shadow. Now, a doomsday cult has established a conduit for Lacc to enter the Material Plane. As hope fades and monoliths grind the hills to chalk, it's up to the PCs to prevent a master of shadows from devouring their homes. A D&D adventure for 18th-level characters.
