## THE BREATHING MACHINE

*Powered by the constant, low rumble of engines deep within the heart of the city, Icarus plods along its continental path to the steady ticking of thousands of pieces of clockwork. With an amalgamation of stone walls and great bronze spires, all of the citizens within are in a state of constant motion.*

### IMAGERY

Constant rumble of engines underfoot, a fine layer of soot, orange lamplight, winding cobblestone streets, large gears, automaton laborers

### RESOURCES & TECHNOLOGIES

Clockwork machines, urban agriculture, massive furnaces, automaton builders, lamplighters, water wheels, steam engines, star charts, astrolabes, mechanical prosthetics

### NAMES

Adriana, Arthur, Barclay, Ezekiel, Gabriel, Gladys, Griffin, Harrison, Hattie, Iris, Jules, Leslie, Matilda, Mercy, Mordecai, Mortimer, Nicola, Oliver, Turner, Rosanna, Roderick, Vash, Violet, Wrayburn, Zebulon
